BLOOM STITCH

Multiple of 4 + 3

Bloom Stitch is also known as Daisy Stitch.

PYOP: purl the next 3 stitches together, but don't drop them off the LH needle. You'll have 1 stitch on your RH needle. Then work a yarn over — you'll have 2 stitches on your RH needle. To complete the PYOP, you'll bring your yarn in front and insert your RH needle into those same 3 stitches, purl them together, and drop them off the LH needle. You'll see 3 stitches blooming from 3 stitches.

SHAPE HAT

Work 8 rows even in Bloom Stitch with I-Cord Selvedge and purling the purls on the RS as established.
